### Annual Bursary Information for 2024 Application Submission

*Two Bonnyville Health Centre Auxiliary Bursaries are available for the 2024 year, valued at \$1,000.00 each.  
These bursaries are awarded annually to students currently enrolled in healthcare related programs.*

We encourage you to read over the following information below prior to completing the 2024 application form on page 2. The Auxilians annual bursary is only applicable for students **enrolled currently in a healthcare related program**.

#### Purpose

Our purpose in providing the two annual bursaries, is to assist the winning individual(s) to off-set their program costs that occur over the school year. We also take this annual opportunity to increase the awareness and importance of rural health care professionals, showcasing the impact that their services provide as a vital community resource.

#### Qualifications

The following qualifications are required for individuals that are interested in applying for this bursary:

- ✓ Have at minimum completed the first year of your healthcare related program at either a recognized university, college or technical school.
- ✓ Must be presently enrolled in a post-secondary health-related program to qualify.
- ✓ Whose home is preferably located in Bonnyville or the surrounding area.
- ✓ Willing to apply for employment at the Bonnyville Healthcare Centre.

#### Requirements

Prior to your submission, please ensure that the following items are completed:

- ✓ Complete the application form on page 2. If you require additional space, please include additional pages in legible handwriting, printing or typed.
- ✓ Be sure to include two or more current references (in writing) from a health service professional, an instructor or a recent employer within a healthcare related field.
- ✓ If you have questions, please contact Mrs. Helen Wakulchuk at 780.826.5426
- ✓ The bursary application **closing date is May 24, 2024**, any applications received after this date will not be considered. All annual 2024 bursary announcements will take place in **June 2024**.
- ✓ If you are a successful winner of a bursary, you will be asked to complete a presentation on a healthrelated issue to the Bonnyville Health Centre Auxiliary. Be Prepared!
