I am proud to call the County of St. Paul home, where my family's roots run deep in farming and community life. My husband, Danny, and I have built our life on our family farm between Ashmont and Mallaig, raising three children and celebrating the joy of three grandchildren, and 2 son-in-laws.

For more than 30 years, I have specialized in risk management and collaborated with Municipal, Provincial and Federal Governments to develop practical solutions and deliver effective programs, training and presentations. These experiences have strengthened my ability to lead with insight, efficiency, and a focus on results.

I am not motivated by titles, but by service. My goal is to help build a more united and forward-thinking County where transparency, accountability, and collaboration guide every decision.

**For the 2025 Municipal Election, I respectfully ask for your support to serve as
Reeve of the County of St. Paul No. 19
together, we can build a strong, accountable, and prosperous future.**
